Teen Teacher's Aides

Release to Own Recognizance - OPTIONAL

*This form is filled out each term.

Please read this release carefully before signing. If submitting this optional form, it must be received by the Teen Advocate prior to your first class.

As a parent or legal guardian of a Super Saturday Program Teen Teacher's Aide, I believe that my child has reached sufficient maturity that I agree to allow them to be released to their own recognizance after class completion. Class completion occurs when all students have been signed out from class and the teacher is satisfied with any classroom clean-up they may request. Once released to their own recognizance, my child will not be under the direct supervision of The Super Saturday Program Volunteers. My child can be expected to continue acting in an appropriate manner including adhering to all behaviors in the Annual Policy Agreement while on campus.

As a Teen Teacher's Aide in The Super Saturday Program, I agree to be responsible for my own behaviors while on campus. Upon completion of my classroom duties, I will not linger on campus and will find my parent/guardian or other ride home.
