

Teen Community Service Opportunities

The Super Saturday Program

Serving Children of Greater Cincinnati Since 1981

3440 Central Parkway, Cincinnati, OH 45225

Multiple opportunities are available:

1) **Teen Teacher's Aides** - 19 or 34 service hours - Training is provided in leadership skills and in accommodating the sensitivities and common learning difficulties and disabilities of intellectually gifted children.

Throughout the term, there will be opportunities to develop leadership skills and confidence. Leadership skills include being proactive, planning, adaptability, communication, team building, assertiveness, and conflict management. This experience is a good fit for gifted students, students who are considering a career in teaching or who otherwise enjoy working with children, and those who love learning themselves. For fall term, the application process including references must be completed by Sept 27. Scan the QR code or visit www.supersaturday.org/teens for more details.

2) **Robotics Team Mentors** – For teens who participated in *FIRST* LEGO League, Challenge level or VEX Robotics Competitions, middle school level. Email marketing@supersaturday.org with your team experience and coach reference(s) to be put in touch with our coaches and find out if mentoring fits your interests and time availability.

3) **Service-Learning Project** – hours depend upon individual – Opportunity for up to two uncommonly driven teens who want to give of their developing talents and skills to help our operations. Make your pitch to teenadvocate@supersaturday.org.

We offer enrichment classes fall, winter, and spring. Each term is six Saturdays long. Classes are fun, hands-on, cover a wide variety of subjects, and allow children to stretch their abilities in new areas. Just as important as the curricula, gifted children have a place to come together with more of their gifted peers. They may soar to their own heights, will meet others who share their intensity, ambitions, interests, and abilities, and can interact authentically. Many friendships have been made here. We try to keep costs low and offer tuition scholarships as we serve children from across Greater Cincinnati from all socioeconomic backgrounds. Being an all-volunteer organization makes this possible.
